

Terms of Reference for a national consultant on legal analysis of cases of human rights violations against women who use drugs in Russia

The Eurasian Harm Reduction Association (EHRA) as part of the three-year multi-country project “Sustainability of Services for Key Populations in Eastern Europe and Central Asia” (#SoS_project), implemented by the Alliance of Public Health Charitable Foundation in consortium with the All-Ukrainian Network of People Living with HIV (100% Life), the Central Asian Association of People Living with HIV and the Eurasian Key populations Health Network, regional networks, governmental and non-governmental organizations, and a number of technical partners, announces an open tender for a consultant for legal analysis of interviews collected in Russia to implement Objective 2 of the project - to reduce the most important human rights and gender barriers to accessing HIV prevention and care services.

Gathering data on human rights violations among people who use drugs, their analysis, ensuring follow-up, and reporting to the UN human rights treaty bodies will help remove barriers to access to HIV prevention and care services for people who use drugs in EECA countries. In addition, mentoring and technical assistance to partners from national communities will help build community capacity in collecting data on human rights violations and understanding the follow-up system for its systematic and effective use.

The collection of data on cases of human rights violations against women who use drugs in Russia will serve as the evidence base for advocating for amendments to existing national legislation aimed at respecting and protecting the rights of people who use drugs, and will become the basis for subsequent submission of reports to the UN human rights treaty bodies.

Tasks of the consultant and expected results:

1. To get acquainted with the interviews collected by EHRA, to identify the main patterns, trends and types of problems that women who use drugs face.
2. To analyze to what extent the identified problems are a consequence of the Russian legislation on drugs, and where there are cases of discrimination and / or abuse by representatives of state and other structures.
3. To prepare a descriptive 10-15 pages report.

Timeline:

1. The first draft of the report – by November 10, 2019;
2. The final report, taking into account comments from EHRA - by November 30, 2019.
