

LETTER OF RECCOMENDATION

To represent the EHRA Steering Committee from the community of people who use drugs in the EECA region - members of RuNPUD

The Russian-speaking Network of People Who Use Drugs supports the participation of Aidana Fedosik, Executive Director of RuNPUD, as a candidate for the EHRA Steering Committee.

Aidana Fedosik is actively involved in mobilizing the Russian community of people who use drugs, prisoners / ex-prisoners, provides mentoring, methodological, consulting, fundraising assistance to new community initiatives: from searching for donors and writing project applications to assistance in legal registration of self-organizations of the communities in the EECA region.

Her participation in the work of the EHRA Steering Committee can be useful for all activists and organizations from the community of people who use drugs in the EECA region.
