## **Recommendation letter**

### **on behalf of the community of people who use drugs, to support candidate Aleksey Kvitkovskiy**

Dear Board members and partners of the Eurasian Harm Reduction Association,

We, community of people who use drugs from 14 countries of ENPUD, are delegating Aleksey Kvitkovskiy to the Steering Committee of the Eurasian Harm Reduction Association.

Aleksey Kvitkovskiy has a significant and successful work experience in Ukraine. Thanks to his active participation in the development of ENPUD, Aleksey extended his knowledge and understanding of the main issues and possibilities of our community, who live in the most countries of region EECA.

Together with Vitalii Rabiniciuc, Aleksey Kvitkovskiy is one of the pioneers of the development of Regional Expert group on treatment in ENPUD. The aim of it is to extend list of medication for the treatment of dependence, increasing competencies of the medical staff to provide for us adequate services.

Aleksey is honest person, actively is sharing his knowledge and experience as a specialist, knows how to work in a team, before taking any decision – advising with community.

We, community of ENPUD, are ready to help Aleksey Kvitkovskiy meaningfully participate and make decisions in the role of the Steering Committee member, representing community of people who use drugs in the region EECA, in the Eurasian Harm Reduction Association.

Sincerely,

Chair of the Board of the Eurasian Network of People Who Use Drugs

Otar Jijieshvili
